FAMILY PHOTOS AT ACPL!

Say cheese! It's no joke that family photos can cost you an arm and a leg. It isn't always easy to find a photographer for those lovely fall family photos for cheap. Plus we know just how quickly those mini sessions can fill up! Luckily you don't have to struggle this year!

Adair County Public Library is hosting our Annual Family Photo Day on November 16th! Each year we strive to get pictures that fit a late fall and early winter theme for you to use for your yearly family photos. As always, we hope to do the pictures outside but that will be determined by weather. We have a few beautiful backgrounds picked out just in case it will be indoors.

This amazing program is free and really easy to sign up for! What you need to know is before November 16th you will need to sign up for your 10 minute photoshoot. We are doing photos between 10AM-12PM and 1PM-3PM, you'll need to reserve a spot so call or come in to do that. Then come about 5-10 minutes early on the time you signed up for and check in so we can get you ready! You will get pictures done by our photographer for free! You'll get your series of photos sent to you through email so make sure your email is correct when you sign up! See you there!

THE BUZZ

BRE'S BULLETIN

Crisp leaves, crunchy apples, delicious cider, pumpkin pie, and so many wonderful things...it's Fall! Fall has always been my favorite season and in my opinion the best time of year to pick up one of those cozy mysteries or even something spooky.

Come to the library and ask one of our amazing librarians about cozy mysteries or any book they recommend that is perfect for snuggling down deep in a blanket with some tea or cocoa and a book! Don't let Autumn slip away into Winter without remembering to take time to be thankful for everything you have and everyone you love. This season is a great time to reflect on the year and smile at the things that worked out. Happy Thanksgiving!

SANDIE'S SPOTLIGHT

I love this time of the year, the weather and the colors and all the fun holiday events and programs! We had a lot of fun in October, but we aren't done yet! We have a lot of stuff to look forward to in the coming months, on top of our regularly scheduled programs!

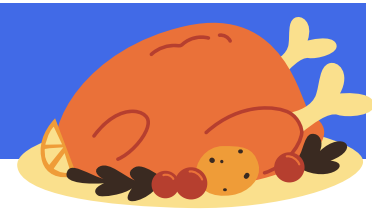

In addition to our regular programs we will also have our annual family pictures day on the 16th. Keep an eye out for a sign-up sheet for picture day as well as for a holiday nature themed painting class.

We will also have several new programs this month! On November 2nd we will of course have our Friends of the Library book sale, but we will also have an all ages and all abilities program on hula hoops and story time! On November 9th in addition to our painting class we will also have a new, never seen at the library program on Bees! Truman University will also be here the following weekend, the 16th with their reptiles. Keep an eye out for Community Threads, this is a new program that is happening on November 13th and will have limited availability. This month's class will teach you basic hand sewing skills and you will be able to take home a stitch sample pillow. All supplies are provided for you. Keep an eye out for the many sign up sheets for programs this month after the first. Looking forward to seeing everyone!!

SONJA'S SCOOP

This time of year always makes me grateful for the time I get to spend with family, friends and books. Pick up a book, snuggle into your favorite chair with your cozy blanket and read! Self care is a must as the holiday chaos approaches and your friends at the Adair County Public Library are here to help you relax. Happy reading!

BEHIND THE SHELVES

THE FRIENDS OF THE LIBRARY

September through April The Friends of the Library choose a book each month to discuss. November's book is *There is No Ethan* by Anna Akbari. This book discussion will take place Tuesday, November 12th at 5:30PM in our Special Collections room.

"There is No Ethan: How Three Women Uncovered America's Biggest Catfish. Part memoir, part explosive window into the mind of a catfisher, a thrilling personal account of three women coming face-to-face with an internet predator and teaming up to expose them." - Anna Akbari PH.D.

COZY MYSTERY HIGHLIGHT

Cozy Mysteries are a subgenre of Mystery that are full of fun sleuthing but also keeps some of that creepy stuff at bay. It often has an unsuspected protagonist, a fun mystery, yet a satisfying ending that doesn't scare you away from a good nights sleep! That is why this genre is so appealing to so many!

Perfect for this time of year, we have a lot of cozy mysteries that you might want to take home. Come in and grab one today. A few popular ones are: *Arsenic and Adobo* by Mia Manansala, *The Thursday Murder Club* by Richard Osman, *Cheddar Off Dead* by Karina Moss, and *Bayou Book Thief* by Ellen Byron. Come talk to your local librarian for more recommendations!

HAPPY THANKSGIVING!

Happy Thanksgiving to all of our patrons at Adair County Public Library and our local community! We hope you all have a wonderful holiday and are able to celebrate with those who mean the world to you. This is a reminder that Adair County Public Library will close early November 27th at 6PM. We will also be closed November 28th, 29th, and 30th to allow our employees to celebrate the holiday with their families.

Plus after that Thanksgiving meal it might be a struggle for everyone to roll out of bed! So while we let that big dinner digest, make sure you grab your books early to account for us being closed. After all, the only thing scarier than running out of pumpkin pie is running out of reading material when we are closed!
