## Celia's Sing-A-Long Dance Party

The Friends of the Adair County Public Library were proud to sponsor this special event, and we are pleased to share that it was a wonderful success. There was a fantastic turnout, with many families and children from the community joining for a fun and engaging day.

It was heartwarming to see so many young readers exploring the library, participating in the event, and enjoying time outdoors. Events like these are an important part of our mission—to support the library and help foster a love of reading and learning within our community.

We are so grateful for the incredible support we receive from donors like you. Your generosity makes it possible for us to sponsor events like this and create meaningful experiences for our community. Additional thanks to the library staff and volunteers who made the day so enjoyable. Be sure to check out the photos below for a glimpse of all the fun!
